PRO models require a constant 2.4 GHz WIFI connection in order to use app.

Maximum power

Near-silent night mode

Timer mode

Optimum airflow

Plug and play ready

Low service costs

Our 360° smart filter with outstanding cleaning performance.

Our specially developed HEPA filter with multi-stage filtration technology has five layers for cleaning performance. These layers reduce dust, airborne debris, and kitchen odors from your indoor air. The circular design ensures optimum utilization of the filter surface.
