

# TRIUMPH®

## 1110

The 1110 large format floor trimmer, with a 28" cutting length, features a resharpenable Solingen steel blade, stationary safety guard, and solid manual clamp. Its precision side lay, adjustable back gauge, and all-metal construction ensure accurate, safe operation. Made in Germany for superior quality.

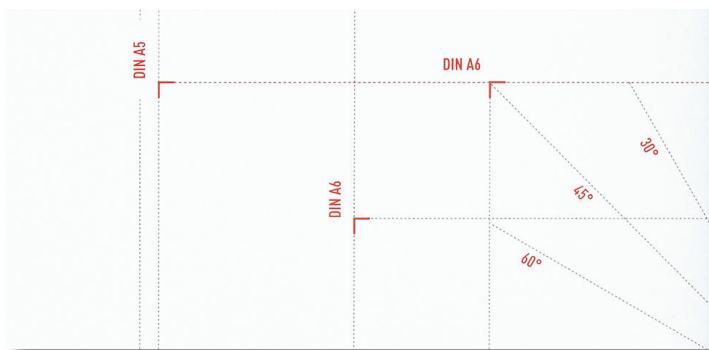

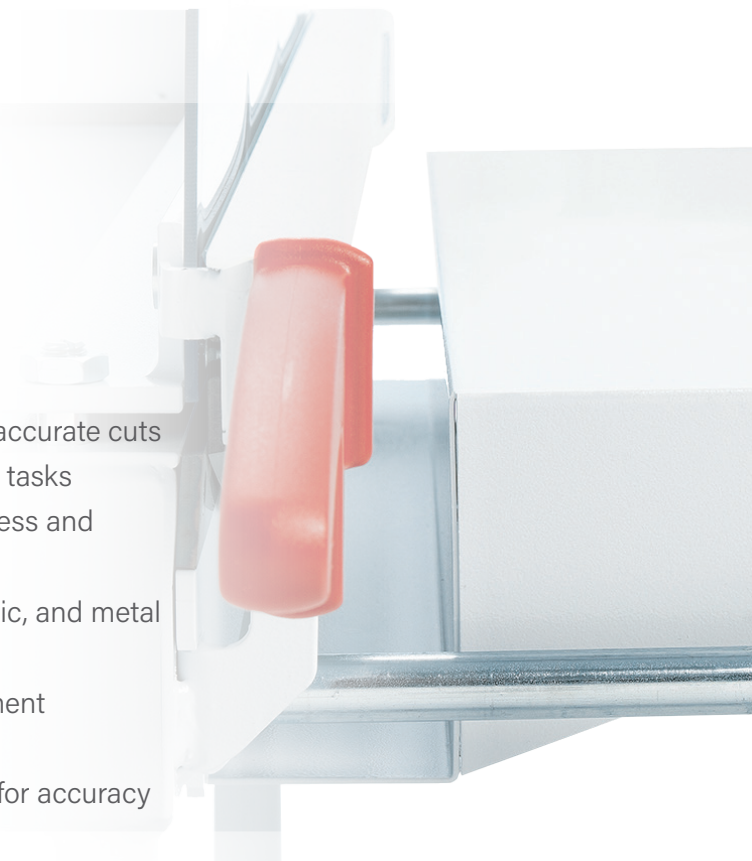

- A ERGONOMIC HANDLE**  
The specially designed handle offers enhanced comfort and safety during operation.
- B FOOT PEDAL CLAMP**  
An integrated foot pedal ensures positive clamping.
- C PRECISE LOCKABLE BACK GAUGE**  
Lockable back gauge provides precise and consistent paper alignment for accurate and reliable cutting results.
- D BLADE MOUNT**  
The solid cast aluminum blade mount features double pivot bearings for smooth and stable blade operation.
- E EXTENSION TABLE**  
A fold-down table extension supports large format materials.

# TRIUMPH®

# 1110

- Fold-down extension table supports large cutting projects
- Foot pedal-operated clamping system ensures secure and accurate cuts
- Large-format floor model trimmer for handling large cutting tasks
- Resharpenable Solingen steel blade for long-lasting sharpness and durability
- Wide-angle blade cuts heavy materials like mat board, plastic, and metal foil
- Precision side guides with inch and metric scales for alignment
- Adjustable back gauge for flexible paper positioning
- Front gauge with fine adjustment and lockable rotary knob for accuracy
- Narrow-strip cutting device for precise small cuts

## Format Indications

For efficient and easy cutting. Standard paper sizes and various angle indications printed on the table top.

## Steel Blade

German Solingen steel blades are self-sharpening and can be re-sharpened for continued accuracy.
