

PRESSURE SEALER

MX17000

The MX17000 is an advanced heavy-duty desktop pressure sealer featuring a quick manual fold setting, reverse friction roller with cooling fan, and automatic double-feed detection. Adjustable speed and a large 1,400-sheet infeed hopper enhance productivity and user convenience.

A ADJUSTABLE SPEED

The speed setting is fully adjustable, enabling operators to maintain a comfortable workflow while minimizing noise levels for a quieter work environment.

B HEAVY-DUTY CYCLE

The MX17000 is built with high-quality components, designed to handle up to 500,000 sheets per month for reliable, high-volume performance.

C 4 ROLLER CEILING UNIT

A second pair of steeling rollers enabled enhanced ceiling quality at high speed.

D LARGE INFEEED CAPACITY

The auto-lift infeed hopper, designed for easy loading, accommodates up to 1,400 sheets, maximizing efficiency and reducing reload times for continuous processing.

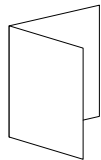

PRESSURE SEALER MX17000

- Advanced desktop pressure sealer engineered for high-volume, reliable performance
- Quick manual fold setting allows for fast and efficient job adjustments
- Reverse Friction Roller with a cooling fan enhances smooth paper handling
- Unique RFR system automatically detects and corrects double feeds for seamless operation
- Adjustable speed control for optimal performance and quiet work environments
- Heavy-duty design enables processing up to 500,000 sheets per month
- Large auto-lift infeed hopper simplifies loading and reduces downtime
- Easy-to-use control panel for quick adjustments and operation
- Compatible with optional long conveyor and storage cabinet for expanded capabilities

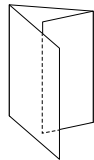

Jam Free Button

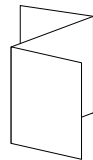

If paper jams at the fold or press rollers, the machine will stop and display an error message. Press the Jam Free button to reverse the rollers, allowing for manual removal of the jam.

Specifications:

Paper size	A4, Letter, Legal	Form size	Upto 14" depth & 9" width
Speed	17,000 per/hour	Electrical requirements	110 V, 60HZ
Sheet capacity	700 pressure seal forms	Dimensions (D x W x H)	20" x 27" x 43" with cabinet
Paper weight	20 - 30 lbs	Shipping weight	300 lbs

Conveyor or Vertical Stacker

Optional auto-extending conveyor or vertical stacker can hold up to 650 processed forms. Cassette for professional results.
