

TRIUMPH®

1158

The 1158 Trimmer features a resharpenable Solingen steel blade and an automatic, transparent safety guard. With a solid manual clamp, adjustable back gauge, and precision side lay, it ensures accurate, safe cutting. Made in Germany, it boasts durable all-metal construction and non-skid rubber feet for stability.

A ERGONOMIC HANDLE
The specially designed handle offers enhanced comfort and safety during operation.

B MANUAL CLAMP
With this solid manual clamping device a variable clamp pressure can be applied depending on the material to be cut.

C PRECISE LOCKABLE BACK GAUGE
For Accuracy Lockable back gauge provides precise and consistent paper alignment for accurate and reliable cutting results.

D BLADE MOUNT
The solid cast aluminum blade mount features double pivot bearings for smooth and stable blade operation.
